

**ACCESSORIES  
and SPECIAL  
EQUIPMENT  
for the**

**'JEEPSTER'  
Convertible  
and  
'JEEPSTER'  
Commando Series**

**'Jeepster' Convertibles and 'Jeepster' Commando station wagons, pick-up trucks and roadsters include as standard equipment all of the features required by most owners. You will find that the optional accessories and special equipment listed in this booklet will complement your driving ease and comfort, and will enable you to personalize your new 'Jeep' vehicle to your own preferences.**

**Read through this booklet now and select those items that will make your new 'Jeepster' or 'Jeepster' Commando vehicle more valuable to you. All the items can be installed quickly and efficiently by your trained and equipped 'Jeep' dealer.**

## ACCESSORIES

### SPARE WHEEL LOCK

Recommended by police officials and insurance companies, lock cannot jam, rust or rattle. Heavy-duty locking case is of 14-gauge steel.

### LOCKING GAS CAP

Quick and easy to use . . . chrome-plated gas cap locks securely to prevent pilferage, unlocks with key.

### POWER BRAKES

Quick, sure stops every time . . . with just a touch of the toe. Power brakes make stopping almost effortless yet provide good braking control even under capacity loads. Available for all models.

### CHROME OUTSIDE MIRROR

Chrome-plated deluxe mirror mounts on the right door section, matching the standard mirror on the left door. Provides safer view to behind both sides of your vehicle.

### TRIPOD REAR VIEW MIRROR

Larger, more durable and has greater resistance to vibrations, tripod mirror is recommended when towing large-profile trailers. Available for both sides of all vehicles.

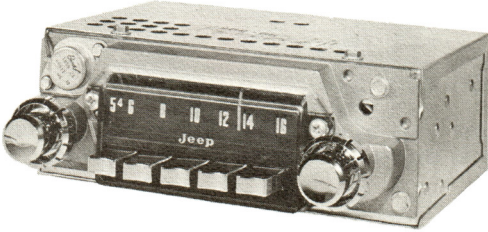

### RADIATOR CHAFF SCREEN

Screen catches bugs and dirt that might otherwise plug cooling surface of the radiator. Attaches to front of grille of all models.

## ENGINE SPEED GOVERNOR

Engine speed governor provides selection of constant speeds when your job requires constant engine speeds regardless of torque requirements. Controlled from the cab, governor has 9 speed settings and can be engaged or disengaged with ease. *Available with 4-cylinder Hurricane engine only.*

## RADIO

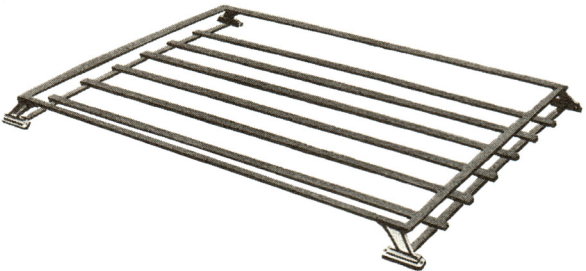

Transistor push-button radio, available for all models, combines deep, rich tone with high-quality custom appearance. Plays immediately when turned on—no warm-up required. Radio also features automatic volume control and full range speaker.

## ELECTRIC CLOCK

Precision-built and self-regulating for accurate time-keeping, this jewel-movement electric clock is custom-keyed to the console of your 'Jeepster' or 'Jeepster' Commando vehicle. Provides beauty and convenience for all models equipped with console.

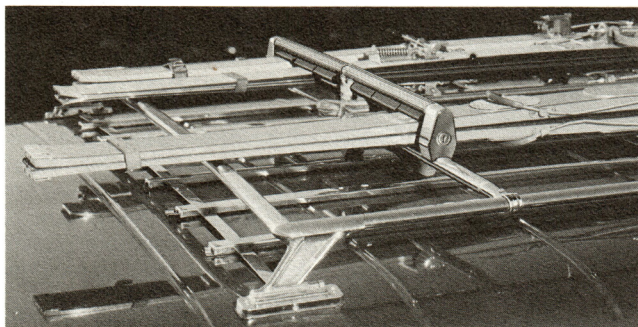

## LUGGAGE RACK

Over 3 feet wide and 4 feet long, luggage rack is constructed of stainless steel for longest rust-free life. Rack will not scratch vehicle roof and is easily installed on 'Jeepster' Commando station wagon models only.

## SKI RACK

With a capacity of up to six pairs of skis, rack provides handy and protective carrying place for skis. Available for all station wagon models equipped with luggage rack.

## KAR PAK

A real asset to anyone who travels—vacationer, salesman, and camper. It's an ideal, practical luggage carrier with 14 cubic feet of room for extra bags and luggage . . . plus protective canvas covering. *Must be used with luggage rack.*

## WHEEL COVERS

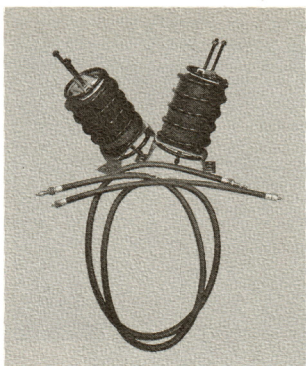

Adding distinguished style, wheel covers fit 'Jeepster' Commando vehicles not equipped with an optional trim package. Chrome-plated to resist corrosion. Standard with 'Jeepster' convertible.

## REAR PASSENGER SEAT

Foam-padded rear seat matches front bucket seats in appearance and color. Available for 'Jeepster' Commando roadster equipped with fabric full top; standard with station wagon and 'Jeepster' convertible models.

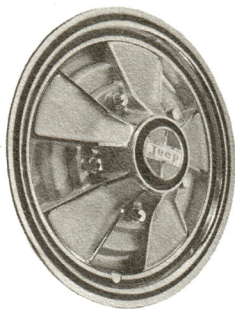

## AIR BAG HELPER SPRINGS

Designed for the accommodation of additional load weights, air bag type helper springs ease the strain of heavy loads on the suspension. This is done by installing tough Butyle air cells between the moving axle and stationary frame of your vehicle. Available for the front suspensions of all 'Jeepster' and 'Jeepster' Commando vehicles.

## MAG-TYPE WHEEL COVERS

Racing-type wheel covers add a high-performance appearance to your sporty 'Jeepster' or 'Jeepster' Commando. Two-piece casting and rigid spring mounts offer long-lasting beauty.

## BUMPER GUARDS

Heavy-duty chrome bumper guards offer additional protection to the front bumper and a sporty appearance. With their thick rubber insets, bumper guards help to prevent damage to your vehicle's bumper.

## CIGAR LIGHTER

Safety-designed, push-button cigar lighter is within easy reach of driver and front seat passenger. Available with all models not equipped with optional trim package.

## SPECIAL EQUIPMENT

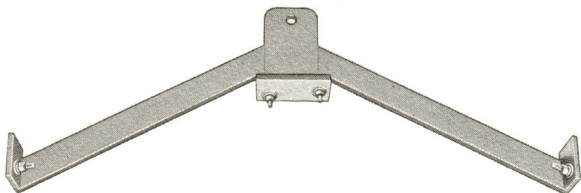

All 'Jeep' special equipment is a product of exhaustive research and testing by 'Jeep' engineers. Once you see the 'Jeep' seal, you can be sure: 1) You're buying equipment built to the same high standard as 'Jeep' vehicles; 2) The item of special equipment will perform the job for which it is intended; 3) The accessory when installed on a 'Jeep' vehicle, will in no way limit its normal operation.

### SELECTIVE DRIVE HUBS

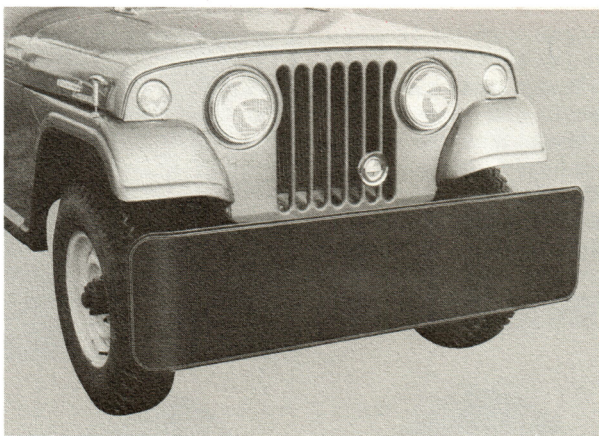

Selective Drive Hubs reduce front end drag and engine wear while your 4-wheel drive vehicle is operating in the 2-wheel driving range. Completely disconnects the front drive mechanism at the transmission, immobilizing all front driving parts . . . improving gas mileage. Manual and automatic types are available. (See Section 12 of your 'Jeep' dealer's Special Equipment Manual.)

### TRAILER HITCHES

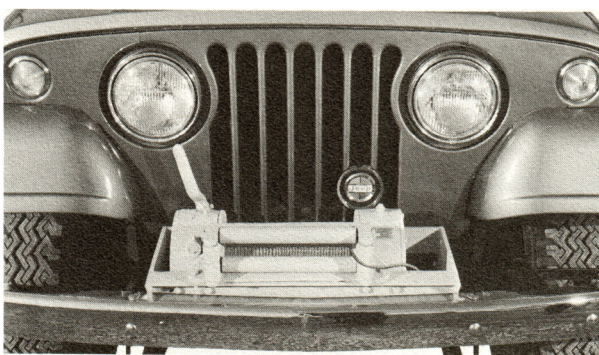

Attaches directly and firmly to vehicle frame for best pulling strength. Custom design permits full use of tailgate. Hitch is constructed of heavy-gauge steel and is available for all 'Jeepster' Commando vehicles. (Not available for 'Jeepster' convertible with continental spare tire.) (See Section 6 of your 'Jeep' dealer's Special Equipment Manual.)

## PUSH PLATES

Formed of a  $\frac{3}{8}$ -inch thick steel plate, push plate design also allows vehicles to be pushed around corners. Also available with cutout for approved winch or snow plow attachments. (See Section 5 of your 'Jeep' dealer's Special Equipment Manual.)

## WINCHES

Combining strong, light-weight housing and long-wearing gears with seamless steel cable drum and high-strength shafts, mechanical front-mounted winches are available for vehicles equipped with the Dauntless V-6 engine. (See Section 25 of your 'Jeep' dealer's Special Equipment Manual.)

## SNOW PLOWS

Available for all models, snow plow has 78-inch blade width and features a replaceable 6-inch high cutting edge, safety spring trip and self-locking shear pin. Blade can be quickly removed to permit conventional use of vehicle and re-installed without special tools. Choose from hydro-electric and full hydraulic lifts . . . power angling and V-blade also available. (See Section 20 of your 'Jeep' dealer's Special Equipment Manual.)

## POWER TAKE-OFFS

Power take-off provides power to front and center of 'Jeepster' and 'Jeepster' Commando vehicles equipped with the Dauntless V-6 engine. (See Section 25 of your 'Jeep' dealer's Special Equipment Manual.)

## AIR CONDITIONERS

Providing the maximum in refreshing air distribution, features include adjustable louvered air flow outlets and a minimum of switches. A single knob directs air flow throughout your vehicle interior and a second knob provides proper temperature control. (See Section 22 of your 'Jeep' dealer's Special Equipment Manual.)

## FULL FABRIC TOPS

Available for 'Jeepster' Commando roadster, fabric material is vinyl-coated, pre-shrunk and treated with Scotchgard for best water repellency. Large area windows are dielectrically sealed for long-life durability. Sides and rear can be rolled open for ventilation or entire top can be folded down quickly and easily. Available in Charcoal, Glacier White, Empire Blue and President Red. (See Section 16 of your 'Jeep' dealer's Special Equipment Manual.)

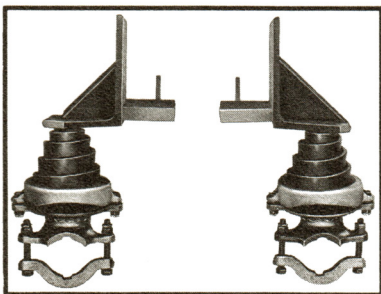

## HALF FABRIC TOPS

With the same basic features as the full fabric top, half top provides inexpensive protection against weather. Rear curtain can be rolled open for ventilation or entire top can be folded down easily and quickly. Available in Glacier White or Charcoal for the 'Jeepster' Commando roadster. (See Section 16 of your 'Jeep' dealer's Special Equipment Manual.)

## REAR HELPER SPRINGS (VOLUTE)

Designed to increase in capacity as weight is added to the vehicle, helper springs are unequalled in strength for carrying extra weight within the rated capacity of your vehicle. Available for all models.

## TONNEAU COVERS

Available for 'Jeepster' Commando pick-up truck or roadster with a half fabric top, cover keeps cargo dry during inclement weather and offers a sporty appearance. Tonneau cover is made of vinyl-coated pre-shrunk material, treated for water repellency. Choice of Charcoal or Glacier White. (See Section 8 of your 'Jeep' dealer's Special Equipment Manual.)

## REAR STEP BUMPERS

One-piece step bumper extends full rear width of vehicle to provide easy access to cargo area and rear protection. Non-skid material on six-inch wide step assures safer footing. Bumper attaches to rear frame crossmember and frame and includes drilled hole for ball hitch. Not available for 'Jeepster' Convertible. (See Section 5 of your 'Jeep' dealer's Special Equipment Manual.)
